

Summer Camp Registration Policy

Our summer camps get children outside in nature, meeting new people, using their imaginations, learning about their surroundings, and having fun. With lots of hands-on discovery and a 6:1 camper/adult ratio, our camps provide a rich setting for growth and development. We offer a variety of experiences for children entering K-12th grades.

Camps run from 10am-3pm with drop off here at Barn Beach Reserve (347 Division Street, Leavenworth) between 9:45-10am.
