

Youth Summer Camps Scholarship Application

Wenatchee River Institute (WRI) believes every child should have the opportunity to participate in summer camp. We understand that families face economic challenges and don't want a child to miss out on a fun and meaningful outdoor experience because of cost. Thanks to generous donations from the Leavenworth Earth Day Fair, WRI is able to provide some scholarship funds to help ease families' financial burden. Scholarships are awarded based on demonstrated need and available funds. Scholarships will vary from family to family.

Important information:

- Awards are for WRI Summer Camps only: Entering grades 1st-9th
- Requests for scholarships are limited to 1 program per child
- You will be notified within 2 weeks of receiving the application if you have been awarded a scholarship
- You will be able to accept or deny the award
