What is a Naturalist?

Questions to answer while watching Wenatchee River Institute's "What is a Naturalist?" at: <https://youtu.be/ea3SiPwfb7I>

1

What is a Naturalist in your own words?

2

How are you currently a Naturalist?

3

What skills would you like to improve in as a Naturalist?

4

Make your own 'nature journal' similar to what you saw in the video. Either spend some time looking at nature from one of your windows or go outside and record things you see in nature. Be sure to include the date, time, and location. Enjoy seeing nature!

Next time you go outside, spend some time listening to nature and making a sound map of what you hear. [Click on this link for an example of a sound map.](#)
